

2022, Rosé

Barossa Valley

TASTING NOTES:

Delicate salmon hued. Refined aromatic fruit nose of pink grapefruit, just ripe nectarine, tart strawberry, yellow rose petals and dried provincial herbs.

Fresh and delicate on the palate with pure but discrete flavors of freshly cut strawberry whites, tart red currant, wet river stone and fresh chervil. Fine chalky acids, delicate citrus pith feel and an echo of mineral - salinity on the finish.

VINTAGE SUMMARY:

The 2022 growing season was mild and long with no protracted heat spikes or heavy rain events- it certainly felt cooler than what we perceive as 'historically average' and the numbers backed that up. Reasonable winter and spring rains delivered good subsoil moisture levels and frost and hail events that marked the last few seasons were absent. Signatures of the '22 vintage in the Barossa and Eden Valley's are its aromatic freshness, purity and clarity of fruit, typically modest palate weights, fresh and lithe tannin structures -all in all a delightful year.
