

2022 Sol Solice

Barossa

TASTING NOTES:

Ripe fruit aromatics of raspberry, ripe cherry, blueberry and plum - laced with delicate baking spice and dried rose petal high notes – sit over base aromas of dried fig, ink and prune.

Full, strong palate – dark sour edge plum, prune and dark cherry fruits on attack are drawn to a firm, fine finish with lingering cherry pit and red plum skin acids and the deep, fleshy fruit is held in check by a strong measure of fine grained, compact tannin.

VINTAGE SUMMARY:

2022 was a good growing and harvest season for the Barossa and Eden Valleys – well above average winter rainfall and a relatively dry and mild growing season resulted in a classically timed and extended harvest period delivering wines with good freshness and balanced maturity.
